

TERRI PACE  
MAKEUP ARTIST

Hello! I'm Terri Thank you for your enquiry, I'm looking forward to hearing from you.

Some people find it exciting to have their makeup done, while others are a little nervous. I'm not the kind of Makeup Artist who piles tons of makeup on and change you. I'll get to know what you like and don't like by speaking with you on the phone.

Choosing a Makeup Artist for your wedding day can be quite daunting. It's not everyday you get to do this, so I want to make it as easy as possible for you. I hope by giving these steps it will help you know the process involved.

- A Brochure is sent with a questionnaire for you to complete and is automatically sent back to me.
- I'll call you for a friendly chat and check availability for a trial run with you and any bridal party.
- The Trial date is agreed and an invoice will be sent to you. Payment is due 7 days before the trial date.
- After the trial I'll give you 3 days to decide if you'd like to book me for your wedding.
- If you do, I'll send you a contract to sign and an invoice for the services you'd like. If not, it's perfectly ok.
- A £50 deposit is required at the time of booking to secure the date and deducted from the balance.
- I'll send a time schedule for my services for your approval.
- The balance is to be paid 1 month before your wedding date.
- And that's it! All sorted, I'll arrive at the agreed time & location and carry out the services you request.

All correspondence is to be made by email to keep things in one place.

With 17 years working as a freelance Makeup Artist and 5 years teaching Bridal Makeup for Kryolan UK, I've got great product knowledge, careful application skills and your makeup will last throughout the day to night while looking incredible in your photos - So you'll be in safe hands.

# SOME HAPPY CLIENTS

"I met Terri when I was the Editor of a make-up artists' magazine almost 20 years ago. I was interviewing her for a feature on her work and we hit it off instantly. I was getting married in the December and despite my job, still needed a make-up artist for the day as it was to be featured in OK! so I asked Terri if she was free 3 days before Christmas, thankfully she was!! I didn't have time with deadlines to even have a practice, so Terri turned up at Cliveden on the day and worked her magic. Over the last 20 years since then, I have continued to work in the make-up industry and met some of the MUA icons, but I would hand on heart say, Terri Pace is one of the best!"

"Terri was absolutely amazing. I booked her to do makeup for my wedding and for my 2 daughters. We didn't have a trial due to Covid but she asked what look we preferred beforehand and completely listened to what we wanted. Us not being great users of makeup didn't matter and she was lovely to chat to and made us totally comfortable with the whole process. She arrived at our hotel on time and at the end ensuring we were happy with what she had done. I could not fault her. We looked amazing and she has been super lovely since also, advising on skin care products and asking how the day went. Excellent service and great value for money. How lucky we were to find her."

{Cassie & Mark}

"I'd never had a makeup artist do my makeup and was a little apprehensive as I searched everywhere but there were so many that showed heavy thick makeup with lashes and everything - I just wanted a very classic natural look. Then I found Terri... who was just amazing, we had a trial and I loved everything she did. On my wedding day I was so nervous and Terri just helped me calm down and made me laugh again. Needless to say I felt and looked perfect!"

## YOUR TRIAL

After our initial chat on the phone I'll get an idea of your taste/style of wedding and hear your preferences.

The trial will take place in your preferred location. I'll try out various looks based on the details we discussed. I'll work out your primers & perfect foundation colour match, try out lashes if you wish. Hair styles will be tried from the images you send.

Once you're happy, I'll document all products used on a face chart and bring with me on the day.

The session (depending on the services) will last approx 2-3 hours for the Bride and 1-2 hours for each person. I'll take photos of the final look for personal reference only.

I'll call you within 3 days to hear your thoughts and hopefully book you in for the big day. I'll then buy your chosen lip colour as a little gift and send out the time schedule for your Wedding Day.
